 1. Government agencies.
 2. Search engines.
 3. News organizations.
 4. Online directory distributors, when they list us in the directory, may link to our website in the same manner as they hyperlink to the websites of other listed businesses; and
 5. Systemwide Accredited Businesses except soliciting non-profit organizations, charity shopping malls, and charity fundraising groups, which may not hyperlink to our website.
2. These organizations may link to our home page, to publications or to other Web site information so long as the link: (a) is not in any way misleading; (b) does not falsely imply sponsorship, endorsement or approval of the linking party and its products or services; and (c) fits within the context of the linking party's site.
3. We may consider and approve in our sole discretion other link requests from other types of organizations.

We will approve link requests from these organizations if we determine that: (a) the link would not reflect unfavorably on us or our accredited businesses (for example, trade associations or other organizations representing inherently suspect types of business, such as work-at-home opportunities, shall not be allowed to link); (b) the organization does not have an unsatisfactory record with us; (c) the benefit to us from the visibility associated with the hyperlink outweighs the absence of link in the context of general resource information or is otherwise consistent with editorial content in a newsletter or similar product furthering the mission of the organization.

Allow 2-3 weeks for a response.
